

Lloyd Cowan Bursary **Coach Application** Guidance Notes

The Lloyd Cowan Bursary

This is a charitable fund administered by a selection panel to bequest grants of up to £500 to coaches, to enable them to participate in athletics.

Who is Eligible?

Applications are invited from UK based coaches who coach athletes eligible to represent Great Britain & Northern Ireland and for whom cost is a barrier to accessing developmental opportunities.

How will you use the grant?

The application should demonstrate clearly the difference that the grant will make and how it will contribute to progression towards excellence. For example, the grant could be used to fund additional costs of accommodation or travel to competition opportunities, warm weather training, courses or towards specialised equipment for athletes.

- A breakdown of how much you are requesting (we typically award grants of between £100 - £500)
- How the proposed funding would benefit you and help you achieve your coaching goals

We ask that successful applicants use the various social media platforms available to them to thank and promote the 'Lloyd Cowan' Bursary.

When to apply and when decisions are made?

The Lloyd Cowan Bursary will award grants of up to £500 once a year. We will advertise application opening and closing dates on all of our online platforms.

Decisions will be made by the selection panel and communicated within four weeks of the close of application. All applicants will be notified of the outcome via the contact details submitted on the application form. Decisions are final, and there will be no system of appeal.

It is important that the applicant provides clear and concise information for consideration.

Where applications should be sent?

Applications should be submitted electronically via the application form.
