"Sport, culture, arts...

for life..."

"Philosophy"

"Sport is a order of chivalry, a code of ethics and aesthetics, recruiting its members from all classes and all peoples. Sport is a truce. In an era of antagonisms and conflicts, it is the respite of the Gods in which fair competition ends in respect and friendship. (Olympism). Sport is education, the truest form of education, that of character. Sport is culture because it enhances life and, most importantly, does so for those who usually have the least opportunity to feast on it."

YOUTHWISE

Educational attainment, through sporting, artistic and cultural activity for life...

Youthwise' is a social and human development programme designed to meet the needs of young people at all levels of educational attainment and achievement. 'Youthwise' has been designed utilising sporting, artistic and activity based learning.

'Youthwise' has been developed from an extensive range of 'real life' case study experiences of social inclusion projects and programmes in some of the most challenging and disaffected neighbourhoods and communities nationally and internationally.

The key themes of the 'Youthwise' programme are:

- Education attainment and achievement
- Health and physical activity
- Social order discipline and civic responsibility
- Environment vocation training and improved quality of life
- Vocation, training, employment and enterprise

Youthwise' is a modular based approach that compliments, enhances and impacts existing school based and extra curricular learning. 'Youthwise' is a holistic programme that engages, motivates and inspires young people, through sport and the arts to develop in life.

Manchester United FC Manager, Sir Alex Ferguson presents the Youth Charter Soccerwise Education pack, along with a signed shirt to the Headmaster and two pupils from Gorse Hill Primary School with Youth Charter Executive Chairman, Geoff Thompson.

"Football is an incredibly powerful tool, especially when you understand how it can be linked with wider social issues. The positive power of the game can be used to effect real change in lives of young people."

Sir Alex Ferguson CBE
